## INFORMATION BULLETIN

- Some of you may have noticed someone who appears to be suspicious at the intersection of CTH R and CTH KB. This person is our own DEO Delebreau. Both DEOs have been assisting Brown County with a seatbelt campaign that has been going on since September 2016. We are attempting to raise our seatbelt usage statewide and Brown County is a pilot program for this campaign. Some quick numbers on seatbelt usage: Wisconsin – 86%, National Average – 88%, States Surrounding Wisconsin – 90%+. We would like to get to a much higher percentage. So if you have seen DEO Delebreau out there he has been recording seatbelt usage on a monthly basis. DEO Dzekute has just started a seatbelt project that is being conducted at the high school. Students are volunteering to stand at the entrances to the parking lot both before school and after school to remind people to wear their seatbelts. This will be a 3 week project and hopefully by week three we can have everyone traveling in and out of the parking lot wearing their seatbelts.
- IRS scams are still going around so please be aware of anything you think is a scam. A big thing to remember is that the IRS is going to use the postal service if there is going to be any contact. If you receive a call that you feel is a possible scam **don't** give out any information and report the incident by calling **920-391-7450**
- Just a reminder to keep all vehicles, homes, and outbuildings locked. We may trust our neighbors, but can we always trust the stranger that finds their way into the village. **DON'T** be a “soft target” for criminal activity.
- It is important to remember to call in any type of suspicious activity. With the recent string of thefts we have had some incidents that have not been called in when they happen. The sooner the activity gets called in the sooner we can get officers in the area and hopefully get this problem to stop. The number to call is **920-391-7450**. If it's an emergency always dial 911.
- The voicemail in the DEO office is now set up. We will be checking the voicemail throughout our shift. If you need an officer to come out please continue to use the non-emergency number listed above or below or 911 for an emergency.
- If there are any drug issues that you notice throughout the village and you would like to report them please call the **Brown County Drug Task Force tip line: 920-437-DRUG(3784)**. The tips that come in from the village will get sent and viewed by both DEOs. We can then follow up on the tips.

- If anyone has a police matter that isn't an emergency but you would like an officer to come out please use the non-emergency number: 920-391-7450. This is the easiest way to either get the Denmark DEOs or if they are not available you will get an available county officer. This also helps the Denmark DEOs track the type of calls and call volume. This is what we use to make our plans on how to patrol the village. If there is an emergency that needs law enforcement action please call 911.

Everyone stay safe and have a great month

DEO Jonathon Dzekute
