SCAM report and things to watch out for

- We are starting to see an increase in thefts and burglaries throughout the county so continue to make your vehicles and houses hard targets. Lock your doors. Make sure valuables aren't left out for easy access. Most of the thefts and burglaries are "Stop and grab" crimes. The criminals tend to stop at the "easy targets" that they know they can get some property quickly and get away.
- Now that school is out there will be a lot more kids around. Please drive carefully through the village since they will be out walking, running, and riding bikes.
- With the warm weather and the increase in time we spend outside make sure you are taking in enough fluids, especially water. We see an increase in rescue calls related to the heat. Also make sure you protect your skin while outside. No one likes sunburn.
- We are still seeing a lot of scams involving calls claiming to be from the IRS. Do not give out any information to these calls.
- We are seeing scams involving calls stating a person has warrants or they will be picked up by the police for crimes. Don't give out any info to these callers. If you can't remember if you have anything in your past give either DEO a call and we can try to help you through this.
- We are also getting more scams involving calls stating the person has won a prize. As tempting as it might be to claim the "\$2.5 million prize" do not give out any information.

Everyone stay safe and have a great month

DEO Jonathon Dzekute
