

DENMARK, MEET YOUR NEW CART!

No more sorting, bending or lifting – your new recycling carts will have two wheels for easy maneuvering and a lid to keep things tidy and dry. The extra space will make recycling easier and provide you more room for storage – a true win-win – for residents.

WHEN IS CURBSIDE GARBAGE & RECYCLING COLLECTED?

Your collection day is Tuesday. Beginning on Tuesday, July 5th, our new hauler Deyo Disposal will pick up your recycling every other week. Garbage will still be collected weekly. Check your collection schedule on the back of this page or online at denmark-wi.org, or call us at (920) 863-6400.

DO YOU REALLY RECYCLE WHAT I PUT IN THE CART?

Yes. Your recycling goes to the TriCounty Recycling facility in Appleton, where it is sorted and sent to processors that make new products like cardboard boxes and packaging for food and medical supplies. We don't mix garbage and recycling at the curb, although the separate collection trucks may look identical.

HOW DO I SET OUT MY CART PROPERLY ON COLLECTION DAY?

Place your cart on the curb after 4 p.m. the night before your collection day or no later than 5 a.m. on your collection day. Place the cart at the curbline with the handle facing the house. Make sure the cart is accessible to the collection crews. Place it at least 4 feet from other carts and objects, but do not place it underneath short trees or behind mailboxes, lamp posts or parked cars, or on top of snowbanks. Empty carts shall be removed from the curb within 12 hours after collection.

CAN I RECYCLE PLASTIC BAGS OR PLASTIC WRAP IN MY CART?

No. Plastic bags and wrap cause equipment jams at the recycling processing facility. Your household plastic film - like grocery bags, drink case wrapping, cling wrap, and bubble wrap - can be dropped off at almost any large retail or grocery store for recycling.

WHERE DO I STORE MY RECYCLING AND GARBAGE CARTS?

Please store your carts behind your home, on or under a back porch, or inside your garage. Do not store them in front of your house, on the sidewalk in front of your house or at the curb.

CAN I PURCHASE A LARGER OR SMALLER CART?

The 96-gallon recycling and garbage carts are the only option available.

WHAT DO I DO WITH MY OLD RECYCLING BIN?

You are welcome to keep your old bin, but do not refill your bin with recycling for pick up after the June 28th collection. If you no longer want the bin, it can be brought to the Village's Yard Waste Site at 400 Mahlik Lane to be recycled. There will be 2 pallets where bins can be stacked.

WILL I BE CHARGED FOR THE NEW CARTS?

The Village will provide all single-family, duplex, triplex and fourplex residential units with one garbage cart and one recycling cart. The Village of Denmark purchased these carts through the general budget and with grant funds from The Recycling Partnership, a national non-profit working to expand recycling access across the country. Residents have the option to purchase additional carts and be charged the monthly collection fee.

WHAT IF MY NEW CART IS STOLEN OR DAMAGED?

Each cart will be assigned to an address and can be identified by its RFID tag. If your cart is lost or stolen, please call the Village Hall at (920) 863-6400 or email sherri@villageofdenmark.com. Additionally, a police report should be filed with the local police department immediately upon vandalism or theft. Replacement of carts will occur on a case-by-case basis.
